FYI. Please make sure to copy Abi on anything that goes to Jared. I neglected to do that on this one.

No problem. Trina is definitely the ORA point of contact for Rosemont materials prep, scheduling, etc, but Abi is always the master scheduler for Jared and also ensures he has and retains official government records on everything he does.

Will do. Sorry about that. I was using the list of yesterday's meeting attendees and thought Trina was assembling the materials.
